On-Site Benefits:

- Construction training
- Tools
- Personal protective equipment
- Habitat for Humanity GTA t-shirts
- Lunch
- Digital photo album

Build Day Schedule

8:00 a.m.

The entire group arrives, and signs in with the Volunteer Coordinator. Each group member will then be given safety gear for the day (including hard hats, steel toe boots, and safety vests). Coffee and continental breakfast will be available at this time.

8:30 a.m.

The Volunteer Coordinator will then give the build site safety speech and lead the group in the Habitat Cheer. It is **mandatory** that all group members are in their safety gear and present at the time of the safety speech in order to build.

9:00 a.m.

The group will be divided into smaller teams. The teams will be brought onto the build site and taught the skills needed for the day by their Crew Leader. Their Crew Leader will show the team how to perform the task and will stay with the team throughout the day.

12:00 p.m.

The group will meet to enjoy their lunch together. At this point, the team is gathered for a group photo. This would be a good time for team leads to say a few words say a few words.

1:00 p.m.

The teams will return to the location of their task and will build until 3:30 p.m.

3:30 p.m.

Each team commences to clean up their area and the build site.

4:00 p.m.

Participants are ready to go home. Thank you for all of your hard work
