

PROMOTIONAL & ADVERTISING SERVICES

DIGITAL ADVERTISING

Connect your brand with the highly qualified BILD membership.

Digital ads can feature your product, service or special event within BILD e-newsletters: BILD News (sent weekly) or Renovator News (sent monthly).

CONTACT DIRECTORY ADVERTISING

This resource is used countless times each month by BILD members to source businesses that can understand and service their needs. The Contact Directory is published twice a year and is available exclusively to BILD member companies. As a supplier, manufacturer, trade contractor, financial or service professional, consider how an advertisement in the Contact Directory, in addition to your FREE listing, can distinguish your company.

ASSOCIATION MAGAZINES

BILD's Toronto Builder, OHBA's Ontario Home Builder and CHBA's Building Excellence magazines, circulated exclusively to members, offer advertising opportunities for members who provide services within the GTA, provincial or national marketplace.

SPONSORSHIP

BILD offers specific sponsorship opportunities at our annual BILD Awards Gala, as well as one-time event or program sponsorships at golf tournaments and special events, such as:

- Builder Baseball
